FILING AN ANNUAL EXEMPT AFFIDAVIT OR CHANGE FILING

This filing will allow you to select properties within your exempt agency portfolio to report if changes have occurred in the preceding assessment year. Since this filing will allow you to file multiple times or subsets of PINs, it is recommended that if you are reporting properties with changes for the current assessment year that are impacted by the same supporting documents (for example, a deed that includes several properties or leaseholds being terminated on the same leasehold termination document), that these be filed together in a single submission and/or separately from other properties.

Log into the online application site at any time by entering the URL into your browser of choice and hit enter.

Property Select – Updates Effective 2025 Filing Year

In the **Property Select** section, you will be able to view and select all of the parcels that are under your purview by either entering a range of PINs or by simply clicking the Find Exempt Property(ies). Depending on where we are in the assessment calendar, not all PINs may be available for filing if they are changing to an exempt status as a result of filing with the Board of Review or because we have not received the Illinois Department of Revenue exempt status letter. If you do not see a PIN that you know is part of your portfolio, please contact the Exempt Department via department e-mail at Assessor.Exempt@cookcountyil.gov

Please note that for 2024 and forward, you will no longer be required to attest on PINs that have no changes for the filing year. Make sure to select only the parcels for which you are reporting changes from the selection grid.

If no changes: If you are reporting no changes to your exempt parcels, please click on **Next** at the bottom of the PIN select page; **the next page will be blank and will allow you to continue by selecting Next on subsequent pages until you get to Submit section. This will allow you to attest that there are no changes to report on your Exempt parcel list.**
