Disabled Veterans Standard Homeowner Exemption

General Information

What is the Disabled Veterans Standard Homeowner Exemption?

The Disabled Veterans Standard Homeowner Exemption provides an annual reduction in the Equalized Assessed Value (EAV) on the primary residence occupied by a disabled veteran on January 1st of the assessment year. The amount of the exemption each year depends on the percentage of the disabled veteran's service connected disability as certified by the U.S. Department of Veterans Affairs. A disabled veteran at least 70% disabled will be completely exempt from property taxes. A disabled veteran with at least a 50% to 69% service-connected disability will receive an annual \$5,000 reduction in EAV. A veteran with a 30% to 49% service-connected disability will receive an annual \$2,500 reduction in EAV.

Who is eligible?

To qualify for the Disabled Veterans Standard Homeowner Exemption, the veteran must meet the following requirements

- Be an Illinois resident who has served as a member of the U.S. Armed Forces on active duty or State active duty, Illinois National Guard or U.S. Reserve Forces and have been honorably discharged.
- Have at least a 30% service-connected disability certified by the U.S. Department of Veterans Affairs,
- Own and occupy the property as the primary residence on January 1st of the assessment year and
- Have a total EAV for the primary residence of less than \$250,000, excluding the EAV of property used for commercial purposes or rented for more than six months

Note: The property's total EAV must be less than \$250,000 after subtracting any portion used for commercial purposes. Commercial purposes include any portion of the property rented for more than six months.

A non-remarried surviving spouse of a disabled veteran can continue to receive this exemption on the spouse's homestead property or transfer this exemption to a new primary residence. To qualify, the surviving spouse must meet the following requirements:

- Sell the disabled veteran's previous property before transferring the exemption to his or her new primary residence, and
- Occupy the property as the primary residence and hold a legal or beneficial title to the property on January 1st of the assessment year.

What types of documentation must be provided with this form as proof of my disability?

What are the different types of homeowner exemptions available for disabled persons and/or veterans?

The Disabled Veterans Homestead Exemption allows for up to a \$70,000 reduction in assessed value for federally approved, specially adapted housing. This exemption is administered and certified by the Illinois Department of Veterans Affairs. Three additional exemptions are administered by the Cook County Assessor's Office. The Disabled Persons Homeowner Exemption allows for an annual \$2,000 reduction in EAV and the Disabled Veterans Standard Homeowner Exemption allows for an annual reduction of \$2,500 or \$5,000 in a property's EAV. **Please Note:** you can claim only one of the three exemptions referenced above. A Returning Veterans Homeowner Exemption is also available to veterans returning from active duty. This exemption allows for a \$5,000 reduction in EAV and may be received in addition to any of the other exemptions referenced above.

When and where must I file?

You must apply for this exemption each year with the Cook County Assessor's Office by the due date in order to receive this exemption.
