

Report of Destroyed or Uninhabitable Improvement Destructions

When in a prior year buildings, structures or other improvements on a property were destroyed and rendered uninhabitable or otherwise unfit for occupancy or use by accidental means (*excluding destruction resulting from the willful misconduct of the owner of such property*), the owner of the property on January 1 is entitled, on a proportionate basis, to a diminution of assessed valuation for the period during which the improvements were uninhabitable or unfit for occupancy or customary use. (35 ILCS 200/9-180)

Instructions: The owner of property entitled to a diminution of assessed valuation is required to submit this form, within 90 days after the destruction of any improvements, to the Cook County Assessor, in person, by mail, or electronic submission to the Cook County Assessor's Office, 118 N. Clark St., Room 300, Chicago IL 60602.

Taxpayer of record

Property address

Property Identification Number (PIN), or PINs if relevant

___ / ___ / _____
Date of destruction (Month / Day / Year)

Please provide a summary of the property destruction, or the circumstances that rendered the property uninhabitable. Include square footage information for the building/improvements and whether the property remains in such condition:

Attestation:

I _____ affirm and attest that the statements contained herein are true and accurate and the information provided accurately reflects the condition of property at the time of destruction and as of today's date unless otherwise specified. I further acknowledge that such information may contribute to the assessment of my property by Cook County Officials.

Date: _____
